FOR IMMEDIATE RELEASE:

First Bank Announces Sale of Texas Branches

St. Louis, Missouri, February 8, 2010. First Banks, Inc. (“First Banks” or the “Company”), the parent company of First Bank, a Missouri state-chartered bank, today announced the signing of a Purchase and Assumption Agreement (the “Agreement”) providing for the sale of certain assets and the transfer of certain liabilities of its Texas franchise to Prosperity Bank, a subsidiary of Prosperity Bancshares, Inc., headquartered in Houston, Texas.

Under the terms of the Agreement, Prosperity Bank is to assume approximately \$500.0 million of deposits associated with First Bank’s 19 Texas retail branches, including certain commercial deposit relationships, for a premium of 5.5%. Prosperity Bank is also expected to purchase approximately \$100.0 million of loans as well as certain other assets at par value, including premises and equipment, associated with First Bank’s Texas operations. The acquired deposits and loans represent approximately 5.7% and 1.4% of First Bank’s total deposits and loans at December 31, 2009, respectively. The transaction, which is subject to regulatory approvals and certain closing conditions, is expected to be completed during the second quarter of 2010.

Terrance M. McCarthy, President and Chief Executive Officer of First Banks, said, “The sale of our Texas franchise represents a key element of our previously announced capital optimization plan and we are very pleased to announce the completion of a definitive agreement with Prosperity Bank. We have built an outstanding franchise in Texas over the last several years and are extremely proud of our Texas team which has operated under the strong leadership of David Weaver, our Texas Regional President, since First Bank’s entrance into the Texas marketplace in 1994.” Mr. McCarthy continued, “We would like to thank our Texas based employees for their dedication and hard work and our customers for allowing us the opportunity to serve their business needs. We have thoroughly enjoyed developing our banking relationships with our many customers and would like to extend our sincere gratitude and

appreciation to our employees and our customers and wish them much continued success in the future. We are confident our customers and employees will be well served by joining Prosperity Bank which has a long-established presence and reputation in the Texas markets.”

Hovde Financial, Inc. served as financial adviser to First Banks.

About First Banks

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements include, but are not limited to, statements about First Banks’ plans, objectives, estimates or projections with respect to our future financial condition, expected or anticipated revenues with respect to our results of operations and our business, expectations and intentions and other statements that are not historical facts. Such statements are based upon the current beliefs and expectations of First Banks’ management and are subject to significant risks and uncertainties which may cause actual results to differ materially from those contemplated in the forward-looking statements. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: increased competition and its effect on pricing, spending, third-party relationships and revenues; changes in interest rates and overall economic conditions; and the risk of new and changing regulation. Additional factors which may cause First Banks’ results to differ materially from those described in the forward-looking statements may be found in First Banks’ Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, as filed with the SEC and available at the SEC’s internet site. The forward-looking statements in this press release speak only as of the date of the press release, and First Banks does not assume any obligation to update the forward-looking statements or to update the reasons why actual results could differ from those contained in the forward-looking statements.
