

A strong company has a strong cash flow.

Let's keep you healthy.

Solutions for all you do, and all you WANT to do.

As a business owner, you get to do what you love everyday. But day-to-day business operations can take you away from your passion.

From accepting payments and managing inventory to keeping track of your customers and more, First Bank's business solutions will simplify your operations and take you where you want to go.

The freedom to focus on what matters

With the Clover solution and the Clover App Market, you'll get through your daily to-do list faster.

Payments – no problem

Accept all forms of payment, from credit to debit to cash and checks. Your business will even be ready for the latest technologies such as ApplePay and chip-enabled EMV cards.

Security

Relax. First Bank helps safeguard your customers' card information with a multi-layered security and compliance tool.

Be ready for the new standard payments

EMV-enabled devices and cards use embedded smart chips to enhance credit and debit payment security.

Accept checks electronically with confidence

The Check Acceptance app on Clover makes accepting checks simple and safe with our warranty service guarding you from returned checks and funds electronically deposited to your business account.

Run your business anywhere

With access to Clover from any computer, smartphone or tablet, you can run your business from wherever you are.

Build loyalty, increase sales

First Bank can help you connect directly to your customers' mobile phones with special offers and rewards they'll love.

Do more, with the tap of a button

Personalize your Clover to meet the exact needs of your business with a growing number of apps from the Clover App Market.

Discover new opportunities

The Insight solution transforms your payments data into valuable insights about your customer, and sales – helping you better understand and grow your business.

Exceptionally easy mobile gifting

With Gift Business, conveniently sell mobile and physical gift cards straight from your Clover device. Create your own cards and let your business shine with custom branded cards.

Give customers more ways to shop

Thinking about taking your business online? First Bank will help you make the leap.

With our Merchant Services and Treasury Management solutions, you can offer a seamless online shopping experience with more payment options and impressive security features.
