Concerned about Overdrafts? Ask about our Overdraft Protection Services

- Overdraft Transfer Service (transfer from a linked First Bank account to cover an overdraft, \$10/transfer)
- Business Preferred Line of Credit (revolving line of credit linked to your checking account to cover an overdraft, subject to credit approval and finance charges under Business Preferred Credit Loan agreement)
- Business Overdraft Privilege Service** (non-contractual, discretionary service provided with Overdraft Privilege Limit of \$1,000 and Overdraft Fee of \$30 for each paid item or transaction on eligible Small Business Checking Accounts)

**With the Business Overdraft Privilege Service, we have the discretion of authorizing and paying transactions that cause your Available Balance to be negative (up to your Business Overdraft Privilege Limit). The Business Overdraft Privilege Limit includes your negative Available Balance and any Overdraft Fees that are assessed. We may charge an Overdraft Fee for each item or transaction we pay that causes the Available Balance to become negative or occurs while the Available Balance on the account is negative. We require overdrafts to be repaid immediately, so a deposit should be made as soon as possible. Deposited amounts must bring the account to a positive end-of-day Ledger Balance at least once every 30 calendar days (including the payment of all bank fees and charges), or we will suspend the Business Overdraft Privilege Limit. We may also suspend the Business Overdraft Privilege Limit if the account no longer meets the eligibility requirements for Business Overdraft Privilege Service or the number of Overdraft Fees that have been paid is considered excessive. See Business Overdraft Privilege Service Disclosure for more detailed information, including eligibility and limitations on Overdraft Fees.
